The on-screen display makes it easy to name the channels, and also includes icons to visually represent the products associated with each channel. An optional wall mounting clip is included to always know where to access the remote.

### Telis 16 Features

- 16 channels hand-held wireless remote control
- Can control up to 16 motors, or group of motor
- Battery operated, AAA 1.5V x 2pcs. Battery low indication
- RTS Technology

Smart Home

# TaHoma

## Smart life is balancing natural and artificial light

By using the automatic scenarios for your lights, blinds, and curtains, TaHoma always ensures that you have the right level of brightness at sunrise or sunset.

Do you like waking up naturally with the sun and spending your evenings in a subdued ambiance? From sunrise, the curtains let the daylight in while the blinds come down at dusk and artificial lighting takes over.
