Choose the best control device for your needs:

Wall switch: Smoove
Remote control: Telis, Situo
Smart device: TaHoma

Should I consider smart curtains?

Absolutely!

- ✔ I have **double layer curtains** (sheer + blackout).
- ✔ I'd like the curtains to **automatically open and close** at pre-set times.
- ✔ I concern about **children and pets safety**.
- ✔ The elderly finds it difficult to **pull the curtains**.
- ✔ My plants at home require the right amount of sunlight regularly to **maintain life**.
- ✔ Having to **remember to close the curtains** every evening is annoying.
- ✔ **Sudden screen glare** highly impacts my performance during video gaming.
- ✔ It's inconveniently to **close the curtains while being engaged to the Zoom meeting during** during my WFH day.
- ✔ **I live in a world of smart technology!!**

Reliable & Powerful.

To choose Somfy is to choose the highest levels of quality. 5-year warranty. Compliance with international certifications and safety standards.

Controls

Situo Series

Much more than just a remote control for your motorised blinds and curtains ... This is a decorative element designed to fit with the most elegant lifestyles. An aesthetic object designed to fit into your universe The magic of Somfy technology, made in France.

Situo Series Features

	Situo 1	Situo 2	Situo 5
Technology			
Channel hand-held wireless remote control	1	2	5
Control end-product or a group of end-products	1 channel	2 channel	4 (channel) + 1 (group)
Able to transmit up to max 200m in Open Space, and 20m through 2 concrete walls	Yes	Yes	Yes

Telis 16

The convenience of central control is now available.

The Telis 16 RTS offers convenient and simple operation of 16 individual or 16 groups of motorized products such as interior window coverings, exterior screens, rolling shutters, awnings, or pergolas. The on-screen display makes it easy to name the channels, and also includes icons to visually represent the products associated with each channel. An optional wall mounting clip is included to always know where to access the remote.

Telis 16 Features

- 16 channels hand-held wireless remote control
- Can control up to 16 motors, or group of motor
- Battery operated, AAA 1.5V x 2pcs. Battery low indication
- RTS Technology

Smart Home

TaHoma

Smart life is balancing natural and artificial light

By using the automatic scenarios for your lights, blinds, and curtains, TaHoma always ensures that you have the right level of brightness at sunrise or sunset.

Do you like waking up naturally with the sun and spending your evenings in a subdued ambiance? From sunrise, the curtains let the daylight in while the blinds come down at dusk and artificial lighting takes over.
